

Ministering to Client Trauma

- 1) Begin with prayer. Seek His guidance in ministry. On your ministry intake sheet, as the person shares his/her issues, write down every trauma (wounding) mentioned. Also list their reactions to these incidences. For example: Fear, Anger, Hatred, Self-Hatred, Feelings of Guilt, Abandonment, Self-Rejection, etc. These are the spirits that entered through the doorpoint of trauma.
- 2) Next, use the trauma prayer template on the other side of this card to remove the effects of that trauma from their life
- 3) Be sure to use the “Blue Card” to deal with the spirits that have come into the client’s life through trauma.
